7

DISTRICT OF NEVADA

8

9 JESSICA BARRAZA,

10 Petitioner,

2:14-cv-01185-APG-PAL

11 vs.

12 J. GENTRY, *et al.*,

13 Respondents.

15

16 In this habeas corpus action, the respondents have filed an answer (ECF No. 19), and the
17 petitioner, Jessica Barraza, who is represented by counsel, has filed a reply (ECF No. 39). Also,
18 respondents have filed 130 exhibits, constituting the state-court record (ECF Nos. 11, 26-32, 34-36).

19 The Court has examined the parties' pleadings, and the exhibits filed by respondents, and
20 determines that further expansion of the record is necessary.

21 **IT IS THEREFORE ORDERED** that, pursuant to Rule 7 of the Rules Governing Section
22 2254 Cases in the United States District Courts, respondents shall, by July 10, 2017, this order, file
23 as an exhibit in this case a copy of the video recording of Barraza's statement to the police, which
24 appears to have been admitted into evidence at her trial as State's Exhibit 32. *See* Transcript of
25 Trial, August 22, 2007, Exhibit 71, pp. 115-16 (ECF No. 30-1, pp. 116-17). If respondents are
26 unable to file a copy of that exhibit, respondents may file a notice to that effect along with a copy of

1 the transcript of Barraza's statement to the police, if that is available. If respondents are unable to
2 file a copy of either the video recording or transcript of Barraza's statement to the police, or if
3 respondents believe that a copy of that either has already been filed in this federal habeas corpus
4 action, respondents should file a notice to such effect. After respondents expand the record as
5 ordered, Barraza will have 10 days to file a response regarding the correctness of the exhibit, or
6 responding to any notice filed by the respondents, if she deems it necessary to do so. *See* Rule 7(c)
7 of the Rules Governing Section 2254 Cases in the United States District Courts.
