UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA

Raymond Collins et al,  
Plaintiffs  
v.  
Walgreen Co. dba Walgreens, et al,  
Defendants

2:14-cv-01587-JAD-VCF

**Order Granting Joint Motion to  
Approve Settlement and  
Dismissing Case  
[ECF 31]**

11 This is an employment action by former Walgreens managers asserting claims under the Fair  
12 Labor Standards Act (FLSA). The parties have settled their claims and jointly move the court to  
13 deem their settlements as good-faith ones.<sup>1</sup>

14 The court has reviewed the pleadings and papers on file, considered the joint motion for  
15 approval of the settlements of all claims in this case by all parties [ECF 31], and finds, concludes,  
16 and orders as follows:

- 17 1. The settlements memorialized in the agreements contained in Appendix A [ECF 33]  
18 represent fair and equitable resolutions of the plaintiffs' claims in this action, reasonably  
19 resolve *bona fide* disagreements between the parties over the merits of the plaintiff's claims,  
20 and demonstrate a good-faith intention that the claims be fully and finally resolved;
- 21 2. Accordingly, IT IS HEREBY ORDERED that the Joint Motion for Approval of Settlement  
22 and Dismissal of the Lawsuit with Prejudice [ECF 31] is **GRANTED**;
- 23 3. As a material term of their settlement agreements, the plaintiffs have agreed to dismiss this  
24 action in its entirety and with prejudice;
- 25 4. Accordingly, IT IS FURTHER ORDERED, ADJUDGED, AND DECREED that **this case is**  
26 **DISMISSED in its entirety and with prejudice**, each party to bear its own fees and costs.
