

1 Petitioner’s counsel requested and received five extensions of time to amend the petition.
2 (ECF Nos. 15–26.) The counseled First Amended Petition (ECF No. 27) was filed in June
3 2018—two and a half years after counsel was appointed. After two extensions of the deadline,
4 Respondents filed the pending Motion to Dismiss (ECF No. 34) on January 25, 2019. Petitioner
5 later filed two related, substantive motions: Motion for Discovery (ECF No. 90) and Motion for
6 Evidentiary Hearing (ECF No. 111).

7 Counsel for both parties has requested and received *numerous* extensions of time related
8 to the pending motions—over 13 months in all. (ECF Nos. 30–33, 37–38, 85–86, 88–89, 93–96,
9 101–02, 106–07, 112–13.) Given the advancing age of this case, counsel was directed in July
10 2019 “to prioritize the briefing on this case over later-filed matters, as further extensions of time
11 to brief the motion to dismiss are unlikely to be granted.” (ECF No. 107.) Yet, Respondents’
12 counsel has since filed two additional requests for extensions of time. The first requested an
13 extension of 45 days (ECF No. 112), which the court granted (ECF No. 113), and the current
14 motion seeks another 14 days (ECF No. 114).

15 Respondents’ counsel lists filings she completed in nine cases during August and thus far
16 in September. At least four of these matters were filed *after* this action. Counsel provides no
17 reasons why the latter-filed matters were prioritized instead of this case, despite the explicit
18 instruction in the July 2019 order (ECF No. 107). Additionally, the declaration does not show a
19 competing deadline—each filing in the nine cases is now complete. Given the lack of good
20 cause shown, only a brief extension will be allowed. **Further extensions of time are unlikely
21 to be granted absent compelling circumstances and a strong showing of good cause why the
22 briefing could not be completed within the extended time allowed despite the exercise of
23 due diligence.**

1 Accordingly, IT IS HEREBY ORDERED that Respondents' Respondents' second
2 Motion for Enlargement of Time (ECF No. 114) is GRANTED IN PART AND DENIED IN
3 PART. Respondents have until **Thursday, September 26, 2019**, to file reply in support of their
4 motion to dismiss and respond to Petitioner's motion for evidentiary hearing.

5 Dated: September 19, 2019.
