MEMORANDUM OF POINTS AND AUTHORITIES

FRCP 4(m) requires that a party initiating litigation serve a defendant within "120 days after the complaint is filed" Failure to do so may result in dismissal of the complaint, unless "good cause" exists to extend the 120-day period. <u>Id</u>. Similarly, a party may seek an extension of a deadline prior to its expiration pursuant to FRCP 6(b)(1)(A) upon the same standard of "good cause."

Here, "good cause" exists to extend the service deadline for serving Defendant CCA with the Complaint and Summons. Plaintiff, who is currently incarcerated in a federal penitentiary in Arizona, has limited ability to communicate with undersigned counsel. Undersigned counsel have made arrangements to speak with Plaintiff but will not be able to do so prior to the expiration of the current service deadline. Undersigned counsel do not wish to effectuate service of the Complaint until they have had an opportunity to fully communicate with Plaintiff regarding certain matters pertaining to his case that are of importance. By requesting a 40-day extension, undersigned counsel are hoping to avoid an additional request of this nature.

In light of the foregoing, undersigned counsel respectfully urge the Court to find that good cause exists to grant Plaintiff's request.
