14	UNITED STATES	DISTRICT COURT	
15	DISTRICT OF NEVADA		
16	MY HEALTH, INC., a Delaware corporation,	Case No. 2:15-cv-00105-JAD-GWF	
17 18	Plaintiff,	STIPULATION FOR SECOND EXTENSION OF TIME TO RESPOND	
19	V.	(Second Request for Extension of this	
20	SELECTHEALTH, INC., a Utah corporation,	Deadline; Second Overall Extension Request)	
21	Defendant.	Current Response Deadline:	
22		March 16, 2015	
23	Plaintiff My Health, Inc. and Defenda	ant SelectHealth, Inc. have stipulated to, and	
24	respectfully request that the Court enter an order providing for, a 45-day extension of the deadline		
25	for SelectHealth to respond to My Health's complaint from March 16, 2015 to April 30, 2015.		
26	This is the second stipulation and request for an extension of this deadline and the second overall		
27	request for an extension in this case. The initial response deadline was February 12, 2015, and		

28

1	the Court entered an order extending that dea	dline to March 16, 2015 pursuant to the parties'
2	stipulation. See Dkt. 11.	
3	After the Court granted the first exten	sion the parties have actively pursued good-faith
4	negotiations to settle this dispute. The parties a	are hopeful that a settlement can be reached before
5	either party or the Court expends further subs	stantial resources on the litigation of this dispute.
6	But due to the pace of negotiation during the	last four weeks and the need to conduct further
7	settlement discussions, settlement before the ex	isting March 16 response deadline is not feasible.
8	The parties' agreed-upon second extens	sion promotes judicial economy and ultimately the
9	interests of justice by providing additional tin	me to facilitate settlement before the parties and
10	Court devote additional resources to the litigate	ation of this matter. The agreed upon extension
11	should not unduly delay the litigation of this	matter. Accordingly, a second extension of the
12	deadline for SelectHealth to respond to My Hea	alth's complaint to April 30, 2015 is warranted.

14	Dated: March 12, 2015	Respectfully Submitted,
