Case No.: 2:15-cv-00318-JAD-PAL

INTERIM STATUS REPORT

1 EVERGREEN RESEARCH AND
2 MARKETING, LLC, a California limited
3 liability company,

Counterdefendant.

4 On July 31, 2015, a telephonic conference was held between counsel for
5 Plaintiff/Counterdefendant, EVERGREEN RESEARCH AND MARKETING, LLC and
6 counsel for Defendant/Counterclaimant, MYSTICAL DISTRIBUTING CO., LTD.,
7 regarding the Interim Status Report pursuant to Local Rule 26-3.
8

9 During the telephonic conference, the parties agreed that it is premature at this time to
10 address the issues required by Local Rule 26-3. Discovery is progressing but the parties are
11 unable to provide the time estimated for trial, or three alternative dates for trial, or whether or
12 not trial will be proceeding or affected by substantive motions. The parties have entered into
13 a Stipulation to Extend Discovery to allow the parties reasonable time and opportunity to
14 conduct and complete meaningful discovery and dispositive motions.
15

16 As set forth in detail in the Stipulation to Extend Discovery, several factors have
17 resulted in delay in conducting discovery which necessitate extending all discovery and
18 motion deadlines. Those factors include, but are not limited to, 1) the existence of a Motion
19 for Leave to File a First Amended Complaint, the hearing of which is not set until August 31,
20 2015 and which may or may not be granted; 2) document production that has taken more
21 time than anticipated; and 3) the Parties' desire to explore negotiated settlement and the
22 consequent need to control litigation costs.
23

1 Therefore, the Parties respectfully request that this Court continue the date for the
2 filing of the Interim Status Report required by Local Rule 26-3 to September 30, 2015 or
3 thereafter.
