22 **1. NATURE OF THE ACTION:**

23 This is an action for personal injuries arising from an incident occurring on February 13,
24 2013. Defendant operated a Utility Task Vehicle (UTV), with Plaintiff as his passenger, for the
25 purpose of performing a test drive. Following said test drive, Defendant attempted to drive the
26 UTV onto his truck's trailer. Specifically, Defendant accelerated the UTV causing it to travel
27 over the front of his trailer and roll onto the ground. As a result, Plaintiff's right hand and wrist
28

1 were crushed between the UTV and the ground. Plaintiff was then administered first aid due to
2 the immediately apparent severity of his injuries. Thereafter, emergency medical personnel
3 arrived and placed Plaintiff on a gurney and transported him via ambulance to the hospital where
4 he was treated for severe and disfiguring right hand injuries. Plaintiff claims severe and
5 extensive injuries and damages as a result of the subject incident.
