replies. Pursuant to the Court's September 22, 2016, Order for Extension of Discovery Deadlines

(ECF No. 43), the current deadline for filing dispositive motions in this case is January 13, 2017, (see id. at 8). The parties have completed all discovery in this matter, and good cause exists for the proposed extension based upon the following:

As the Court is aware, this case is one of thirty-three related lawsuits sitting before this Court. Recognizing the complexity of litigating these lawsuits simultaneously, the parties agreed to divide the cases into five groups and stagger deadlines in order to streamline the litigation process and avoid overlapping dispositive motion deadlines. Defendants' filed Motions for Summary Judgment on September 1, 2016 and September 15, 2016, in Group II cases. Unfortunately, response and reply briefing has been delayed and will not be completed before the deadline for filing dispositive motions in this case.

Based upon the foregoing, the parties have agreed that the dispositive motion deadlines should be extended by forty-five (45) days in the following manner:

- Defendants shall file their dispositive motions no later than **February 27, 2017**;
- Plaintiff shall file any response to Defendants' dispositive motions no later than
  March 29, 2017;
- Defendants shall file their reply no later than **April 28, 2017**.
