**UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA**

NATIONSTAR MORTGAGE, LLC,

Plaintiff(s),

v.

FALLS AT HIDDEN CANYON  
HOMEOWNERS' ASSOCIATION, et al.,

Defendant(s).

Case No. 2:15-cv-01287-RCJ-NJK

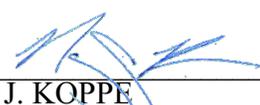

ORDER

(Docket No. 52)

Pending before the Court is a “stipulation” to reopen discovery, Docket No. 52, which is **DENIED** without prejudice. First, Defendant Absolute Collection Services did not sign the request, so it is not a proper stipulation. Second, the length of any reopened discovery period sought is unclear, as the filing indicates that “[t]he parties anticipate that the remaining discovery can be completed by October 9, 2017,” but the filing then seeks a discovery cutoff of January 18, 2018. *Id.* at 4. Third, the filing provides the incorrect case information in the caption. *Compare id.* at 1 with Docket No. 31 (“All further documents must bear the correct case number **2:15-cv-01287-RCJ-NJK**” (emphasis in original)).

IT IS SO ORDERED.

DATED: September 12, 2017
