4 Victor Tagle,

6 v.  
7 State of Nevada, et al.,

Order Denying all Pending Motions  
Without Prejudice

[ECF Nos. 121, 136]

10 On September 29, 2016, the court stayed this case pending a decision in  
11 Tagle's identical state-court action.<sup>1</sup> A status hearing is scheduled for January 4,  
12 2018.<sup>2</sup> In light of this stay and in the interest of judicial economy, IT IS HEREBY  
13 ORDERED that Tagle's "Objection [to Magistrate Judge Ferenbach's May 18, 2017  
14 order] and request of change of Magistrate . . ." [ECF No. 121] and defendant's  
15 motion to strike [ECF No. 136] are DENIED without prejudice to their refileing  
16 once the stay in this case is lifted.

17 Both parties are again reminded that the proceedings in this case are  
18 STAYED. While the stay is in effect, neither party is permitted to file motions in  
19 this action. It is unlikely that the court will act on any further requests while the  
20 stay is in effect. Further motions will likely be summarily denied without  
21 prejudice.

22 DATED: October 20, 2017.
