Case No.: 2:15-cv-01670-APG-NJK

[Docket No. 150]

17 Pending before the Court is Defendant Naphcare's response to Plaintiff's motion to reopen  
18 discovery. Docket No. 150. In violation of Rule 5.2 of the Federal Rules of Civil Procedure and  
19 Local Rule IC 6-1, Naphcare's counsel filed on the public docket Plaintiff's medical records  
20 containing personal identifiers that were not redacted. Docket Nos. 150-1, 150-2, 150-3, 150-4,  
21 150-5, 150-6, 150-7, 150-8, 150-9, 150-11. Because counsel violated those rules, the filing at  
22 Docket No. 150 and all exhibits thereto are hereby **STRICKEN** and the Court **INSTRUCTS** the  
23 Clerk's Office to maintain those filings under seal. An amended response that complies with all  
24 applicable rules shall be filed by May 11, 2018,<sup>1</sup> and the deadline for any reply is hereby extended  
25 to May 18, 2018.

26 <sup>1</sup> It appears the hundreds of pages of medical records were filed in support of the  
27 "background" information outlining Naphcare's version of facts regarding the merits of the case.  
28 *See, e.g.*, Docket No. 150 at 6. It is not clear that filing medical records is necessary to address the  
standards pertinent to the pending motion. Moreover, to the extent the documents have been  
designated as confidential by Plaintiff, the Court reminds Naphcare and its counsel of their meet-  
and-confer obligations and of the Court's sealing requirements. *See* Docket No. 110.
