POINTS & AUTHORITIES

I.

FACTS

This arises from a personal injury incident while Plaintiff was shopping at the Target store located at 4100 Blue Diamond Road in Las Vegas, Nevada (“the Premises”). On August 30, 2013, Plaintiff was purchasing some plastic containers at the cash register when she noticed the items she intended to purchase were broken. Due to the length of time Defendant’s employees were taking to bring new containers to the register, Plaintiff informed the cashier she would go get new containers to purchase herself. While Plaintiff was walking towards the isle where the containers were located, she slipped and fell on a puddle of clear liquid located on the floor in the area of the greeting cards. Plaintiff sustained serious injuries as a result.

On September 23, 2016, Defendant filed its Motion for Summary Judgment on the grounds that there is insufficient evidence upon which Plaintiff can established a cause of action of negligence against Target as a matter of law. Plaintiff’s Opposition to Defendant’s Motion for Summary Judgment is due on October 17, 2016.

II.
