UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

Manuel Melendez,
Petitioner

v.

Dwight Neven, et al.,
Respondents

2:15-cv-02076-JAD-VCF

**Order Directing Service on
Respondents and Setting Briefing
Schedule**

10 Manuel Melendez, who is represented by counsel, brings this § 2254 petition to challenge his
11 Nevada state court conviction and sentence. I have reviewed Melendez's petition, find that it
12 warrants service on respondents, and issue this briefing schedule:

13 IT IS HEREBY ORDERED that the **Clerk of Court is instructed to SERVE the petition**
14 **[ECF No. 1] on respondents** and add Attorney General Adam Paul Laxalt as counsel for
15 respondents.

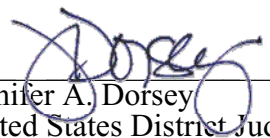

16 IT IS FURTHER ORDERED that respondents must answer or otherwise respond to the
17 petition by **September 25, 2016**. Respondents must raise all potential affirmative defenses in the
18 initial responsive filing, including lack of exhaustion and procedural default. Successive motions to
19 dismiss will not be entertained. If respondents file an answer, it must comply with the requirements
20 of Rule 5 of the Rules Governing § 2254 cases in United States district courts. If respondents file an
21 answer, Melendez will have 45 days from service of the answer to file a reply.

22 IT IS FURTHER ORDERED that any state-court record exhibits must be filed with a
23 separate index of exhibits identifying each by number or letter. A hard copy of all state-court record
24 exhibits must be forwarded to the staff attorneys in the Reno Division of this court.

The court disfavors the filing of duplicate exhibits in habeas corpus cases. The parties are encouraged to use one set of exhibits, and either party may refer to any exhibits that have been filed in the case by that party or by any other party.
