Case No. 2:15-cv-02171-KJD-GWF

ORDER

13 This matter is before the Court on Plaintiff's Motion to Stipulate Extending Time for
14 Defendants to Answer Plaintiff's Interrogatories (ECF No. 40), filed on February 21, 2017.

15 Defendants filed an Opposition (ECF No. 44) on March 7, 2017. Plaintiff did not file a reply. The
16 Court directed Plaintiff to file a copy of the interrogatories with the Court, which Plaintiff did on
17 March 16, 2017. *See* ECF No. 46.

18 Discovery closed on January 30, 2017. *Scheduling Order* (ECF No. 28). Plaintiff served his
19 first set of interrogatories upon Defendants on January 6, 2017, which made the responses due no
20 later than February 6, 2017.¹ Defendants refused to respond to Plaintiff's interrogatories on the
21 grounds that they were untimely because the responses were due after the discovery cutoff. Plaintiff
22 filed the instant motion seeking to in effect extend the discovery deadline so that Defendants would
23 be required to respond to the interrogatories. Defendants oppose Plaintiff's request and argue that
24 Plaintiff failed to provide good cause or excusable neglect for his failure to timely serve the
25 interrogatories.

26 Given the fact that Plaintiff is appearing in this action *pro se* and the fact that Plaintiff served
27 the interrogatories only a week late, which is not an extraordinary period of delay, the Court is

28

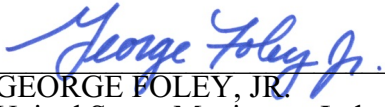

¹ The deadline for Defendants to respond to Plaintiff's interrogatories fell on February 5, 2017, which was a Sunday. The deadline was therefore the following business day— February 6, 2017.

1 inclined to grant Plaintiff's request. In addition, the Court finds that the interrogatories propounded
2 by Plaintiff appear to be relevant. However, because Plaintiff waited until the end of the discovery
3 period to begin conducting discovery, the Court will not consider extending any other discovery
4 deadlines or granting any further discovery requests.² Accordingly.

5 **IT IS HEREBY ORDERED** that Plaintiff's Motion to Stipulate Extending Time for
6 Defendants to Answer Plaintiff's Interrogatories (ECF No. 40) is **granted**.

7 **IT IS FURTHER ORDERED** that Defendants shall respond to Plaintiff's interrogatories no
8 later than **April 5, 2017**.

9 DATED this 22nd day of March, 2017.

28 ² Because the Court will not extend any other discovery deadlines, Plaintiff's request for a discovery conference is denied.
