PROCEEDING: Conference Call re: Defendants Emergency Motion to Continue Settlement Conference (ECF No. 46)

A telephonic conference was conducted commencing at 4:29 p.m. regarding Defendants' Emergency Motion to Continue Settlement Conference (ECF No. 46). Having heard from counsel, the court will grant the motion and continue the settlement conference to October 17, 2017, at 9:30 a.m. This is the first date available on the court's calendar on which both sides can be present. This is also the date the district judge set for trial. The court advised the parties that the motion to continue the trial date would be addressed by the district judge and that it was possible they would remain on the October 17, 2017 trial stack. Counsel for plaintiffs indicated he would stipulate to continue the trial under the circumstances. The court advised the parties to get the stipulation on file as soon as possible for Judge Dorsey's consideration.

1 Four of the five plaintiffs reside locally. However, one Plaintiff had already traveled to
2 Las Vegas, from Mexico to attend the settlement conference. As the motion was filed at
3 approximately 3:00 p.m. the day before the 9:30 am settlement conference defendants will be
4 required to reimburse that plaintiff for the cost of his flight, and reasonable incidental travel costs.

5 The telephonic conference concluded at 4:39 p.m.
