6 LAUSTEVEION JOHNSON,
7 Plaintiff,

8 vs.

9 KRAFT FOODS dba MAXWELL HOUSE, *et al.*,
10 Defendants.
11

Case No. 2:16-cv-00042-MMD-GWF

ORDER

12 This matter comes before the Court on the Screening of Plaintiff's Amended Complaint
13 (ECF No. 23), filed on October 27, 2017. Plaintiff was granted *in forma pauperis* status on
14 October 2, 2017. *See Screening Order* (ECF No. 22).

15 **BACKGROUND**

16 Plaintiff brings this "tort action" and alleges that Defendants violated his civil rights
17 because they were negligent in failing to place warning labels on their coffee products, which
18 contain caffeine. Plaintiff asserts that due to Defendants' negligence, he now suffers from
19 insomnia, hypertension, kidney and liver damage, migraines, mild heart murmurs, mild heart
20 attacks, constant anxiety and fear of death, tooth decay, painful withdrawals and a life-long addiction
21 to Defendants' products. Had Defendants placed warning labels on their products, Plaintiff
22 contends that he would have been able to make an informed decision on whether or how much
23 coffee to consume. Plaintiff now seeks punitive and compensatory damages.

24 **DISCUSSION**

25 **I. Screening the Amended Complaint**

26 Federal courts must conduct a preliminary screening in any case in which a prisoner seeks
27 redress from a governmental entity or officer or employee of a governmental entity. *See* 28 U.S.C.
28 § 1915A(a). In its review, the court must identify any cognizable claims and dismiss any claims

1 that are frivolous, malicious, fail to state a claim upon which relief may be granted or seek
2 monetary relief from a defendant who is immune from such relief. *See* 28 U.S.C. §
3 1915A(b)(1),(2).

4 In addition to the screening requirements under § 1915A, pursuant to the PLRA, a federal
5 court must dismiss a prisoner's claims, "if the allegation of poverty is untrue," or if the action "is
6 frivolous or malicious," "fails to state a claim on which relief may be granted," or "seeks monetary
7 relief against a defendant who is immune from such relief." 28 U.S.C. § 1915(e)(2). Dismissal of
8 a complaint for failure to state a claim upon which relief may be granted is provided for in Federal
9 Rule of Civil Procedure 12(b)(6), and the Court applies the same standard under Section 1915(e)(2)
10 when reviewing the adequacy of a complaint or amended complaint.

11 Review under Fed. R. Civ. P. 12(b)(6) is essentially a ruling on a question of law. *See*
12 *Chappel v. Laboratory Corp. of America*, 232 F.3d 719, 723 (9th Cir. 2000). Dismissal for failure
13 to state a claim is proper only if it is clear that the plaintiff cannot prove any set of facts in support
14 of the claim that would entitle him or her to relief. *See Morley v. Walker*, 175 F.3d 756, 759 (9th
15 Cir. 1999). In making this determination, the Court takes as true all allegations of material fact
16 stated in the complaint, and the Court construes them in the light most favorable to the plaintiff.
17 *See Warshaw v. Xoma Corp.*, 74 F.3d 955, 957 (9th Cir. 1996). Allegations in a *pro se* complaint
18 are held to less stringent standards than formal pleadings drafted by lawyers. *See Hughes v. Rowe*,
19 449 U.S. 5, 9 (1980); *Haines v. Kerner*, 404 U.S. 519, 520-21 (1972) (*per curiam*). While the
20 standard under Rule 12(b)(6) does not require detailed factual allegations, a plaintiff must provide
21 more than mere labels and conclusions. *Bell Atlantic Corp. v. Twombly*, 127 S.Ct. 1955, 1964-
22 1965 (2007). A formulaic recitation of the elements of a cause of action is insufficient. *Id.*, *See*
23 *Papasan v. Allain*, 478 U.S. 265, 286 (1986).

24 All or part of a complaint filed by a prisoner may therefore be dismissed *sua sponte* if the
25 prisoner's claims lack an arguable basis either in law or in fact. This includes claims based on legal
26 conclusions that are untenable (*e.g.* claims against defendants who are immune from suit or claims
27 of infringement of a legal interest which clearly does not exist), as well as claims based on fanciful
28 factual allegations (*e.g.* fantastic or delusional scenarios). *See Neitzke v. Williams*, 490 U.S. 319,

327-28 (1989); *see also* *McKeever v. Block*, 932 F.2d 795, 798 (9th Cir. 1991).

II. Instant Complaint

A. Plaintiff's Claims Under a Theory of Negligence/Products Liability

In Nevada, when bringing a strict product liability failure-to-warn case, the plaintiff carries the burden of proving, in part, that the inadequate warning caused his injuries. *Sims v. General Telephone & Electronics*, 107 Nev. 516, 524, 815 P.2d 151, 156 (1991), *overruled on other grounds by Tucker v. Action Equip. and Scaffold Co.*, 113 Nev. 1349, 1356 n. 4, 951 P.2d 1027, 1031 n. 4 (1997), *overruled on other grounds by Richards v. Republic Silver State Disposal*, 122 Nev. 1213, 148 P.3d 684 (2006). To successfully prove a failure-to-warn case, a plaintiff must produce evidence demonstrating the same elements as in other strict product liability cases: “(1) the product had a defect which rendered it unreasonably dangerous, (2) the defect existed at the time the product left the manufacturer, and (3) the defect caused the plaintiff's injury.” *See Fyssakis v. Knight Equipment Corp.*, 108 Nev. 212, 214, 826 P.2d 570, 571 (1992). A product may be found unreasonably dangerous and defective if the manufacturer failed to provide an adequate warning. *See Yamaha Motor Co. v. Arnoult*, 114 Nev. 233, 238–39, 955 P.2d 661, 665 (1998). Further, the burden of proving causation can be satisfied in failure-to-warn cases by demonstrating that a different warning would have altered the way the plaintiff used the product or would have “prompted plaintiff to take precautions to avoid the injury.” *See Riley v. American Honda Motor Co., Inc.*, 259 Mont. 128, 856 P.2d 196, 198 (1993). Plaintiff argues that Defendants' products contain caffeine, which is a stimulant that affects the heart and nervous system. Because of this, Plaintiff believes that the products are a “drug” that warrants warning labels. Defendants allegedly failed to provide warning labels, and Plaintiff argues that had Defendants' products been adequately labeled he would not have consumed as much coffee and suffered the alleged injuries. Taking the allegations in Plaintiff's complaint as true, Plaintiff has arguably stated a claim against Defendants based on products liability.

To state a claim for negligence in Nevada, a plaintiff must establish that: (1) that defendant owed him a duty of care; (2) that defendant breached this duty of care; (3) that the breach was the legal cause of plaintiff's injury; and (4) that the complainant suffered damages. *See Hammerstein v.*

1 *Jean Dev. W.*, 907 P.2d 975, 977 (Nev.1995); *see also Doud v. Las Vegas Hilton Corp.*, 109 Nev.
2 1096, 1100, 864 P.2d 796, 798 (1993). Plaintiff argues that Defendants had a duty to warn
3 consumers about the harmful effects of their products. He asserts that Defendants allegedly
4 breached this duty and that breach was the cause of Plaintiff's injuries, which resulted in damages.
5 Therefore, Plaintiff has pled the elements of a negligence claim and the Court will allow his
6 amended complaint to proceed.

7 The Court recognizes that the allegations in Plaintiff's Amended Complaint are borderline
8 frivolous but is unable to make that a conclusive determination so as to preclude this case from
9 proceeding at this time.

10 Accordingly,

11 **IT IS FURTHER ORDERED** that Plaintiff's Amended Complaint may proceed.

12 **IT IS FURTHER ORDERED** that the Clerk of Court shall file the Amended Complaint
13 (ECF No. 23).

14 **IT IS FURTHER ORDERED** that the Clerk of the Court shall issue summons to
15 Defendants named in the complaint and deliver the summons to the U.S. Marshal for service. The
16 Clerk of the Court shall send the required USM-285 forms to Plaintiff. Plaintiff shall have twenty
17 (20) days to furnish the required USM-285 forms to the U.S. Marshal at 333 Las Vegas Blvd.
18 South, Suite 2058, Las Vegas, Nevada 89101. After Plaintiff receives copies of the completed
19 USM-285 forms from the U.S. Marshal, he has twenty (20) days to file a notice with the court
20 identifying if Defendants were served. If Plaintiff wishes to have the U.S. Marshal attempt service
21 again on any unserved defendant, then a motion must be filed with the court identifying the
22 unserved defendant, specifying a more detailed name and address and indicating whether some
23 other manner of service should be used. Pursuant to Rule 4(m) of the Federal Rules of Civil
24 Procedure, service must be accomplished within one hundred twenty (120) days from the date that
25 the complaint was filed.
