Case No. 2:16-cv-00510-GMN-GWF

**STIPULATION TO EXTEND
DISPOSITIVE MOTION DEADLINE**

(First Request)

IT IS HEREBY STIPULATED AND AGREED, by and between the parties' counsel of record, and subject to the approval of the Court, that the dispositive motion deadline be extended 30 days to November 29, 2017. The current deadline is October 30, 2017. Discovery has closed.

The parties report that they have reached a tentative settlement of this matter, subject to reducing the settlement to writing and executing the same. Thus, the parties request 30 days within which to finalize settlement. Within 30 days, the parties expect to file a stipulation for dismissal, a status report, or, in the event any remaining contingencies to settlement are not able to be removed and a written settlement agreement is signed by the parties, to file dispositive motions.

This is the parties' first request for an extension of the dispositive motion deadline that does not also extend a discovery deadline. This request is not made for any improper purpose or delay. Based

1 upon the foregoing, the parties believe there is good cause for the requested extension because it is in
2 furtherance of settlement and is in the interest of judicial economy.
