v.

Helix Electric Of Nevada, LLC,
a Nevada Limited Liability Company,
dba Helix Electric,

Defendants.

Case No.: 2:16-cv-01439-JCM-NJK

**STIPULATION AND ORDER
REGARDING TRIAL DATE
(SEVENTH REQUEST)**

And Related Counterclaims

1
2 The parties, through undersigned counsel, stipulate and agree, and further jointly
3 request, that the Court continue the trial due to health issues of trial counsel for Buesing
4 Corporation. The matter is currently set for a five-day bench trial beginning November
5 14, 2022. The Court's October 27, 2022 Trial Order (ECF 112) provides that the matter is
6 set on a two-week trial stack. While the parties are ready for trial, undersigned counsel for
7 Buesing has had a recent and sudden reduction in vision in both eyes that needs to be
8 addressed by surgery. Surgeries are scheduled for November 29 and December 13, 2022.
9 The current condition of counsel's vision precludes his ability to try this case the week of
10 November 14, 2022. Accordingly, the parties jointly request that the Court continue the
11 matter to a later date.

12 The parties have conferred, and based on the parties and counsels' schedules, they
13 respectfully advise the Court that they are next available for trial the week of April 24,
14 2023. Accordingly, the parties respectfully request that the trial be continued to April 24,
15 2023. This matter is set for calendar call on November 9, 2022 at 1:30 p.m. and the parties
16 intend to appear at that time unless this stipulated motion is earlier granted.
