 14 Defendants.

Case No. 2:16-cv-01439-JCM-NJK

**STIPULATION AND ~~PROPOSED~~
 ORDER TO EXTEND DEADLINE TO
 COMPLETE DISCOVERY**

[FOURTH REQUEST]

15 AND RELATED CLAIMS.
 16

17 Plaintiff/Counter-Defendant Buesing Corporation (“Buesing”) and Defendant/
 18 Counterclaimant Helix Electric of Nevada, LLC (“Helix”), by and through their respective
 19 counsel, hereby stipulate and agree and further request that the Court extend the deadline to
 20 complete discovery for a period of sixty (60) days—from December 15, 2017 to February 13,
 21 2018.

22 The parties have been diligently prosecuting their claims, have continued to conduct
 23 discovery, and recently attended a second mediation, but were unable to resolve the matter at that
 24 time. Based on counsel and witnesses’ schedules, the parties need an additional sixty days to
 25 complete remaining depositions. The parties do not request that the Court extend any other dates,
 26 including the current deadlines to file dispositive motions (January 19, 2018) or to file a Joint
 27 Pretrial Order on February 16, 2018. Other than completion of discovery and the briefing of
 28

1 dispositive motions, the parties anticipate that the matter will be ready for trial after the filing of
2 the Joint Pretrial Order.

3 This is the fourth request to extend the deadline to complete discovery and is being made
4 within 21 days of the current deadline (December 15, 2017). The parties have had some
5 difficulty in securing dates for a number of the depositions, including the depositions of a
6 number of third party witnesses and former employees. This difficulty was exacerbated by
7 Thanksgiving and the impending holidays. The parties anticipated that they would have a
8 complete deposition schedule by the time they filed this request but were unable to do so in time
9 to file this request 21 days prior to discovery cutoff. Accordingly, they make this request in good
10 faith prior to the deadline passing.

11 The deadline to be extended, the current deadlines in parenthesis [ECF No. 32], and the
12 proposed new dates, are as follows:

- 13 • Discovery cut-off (December 15, 2017) to be February 13, 2018.

14 Dated this 13th day of December 2017.

Dated this 13th day of December 2017.
