Marcus S. McNeal petitions for habeas relief from his 2013 Nevada state conviction for attempted murder and battery with a deadly weapon.¹ Last month, I denied his request to stay this case, and I ordered the respondents to respond to his petition by April 11, 2017.² After McNeal filed a motion to reconsider the order denying his stay request, respondents moved to extend their deadline to respond to the petition until 30 days after McNeal's motion for reconsideration is decided.³
