UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

<p>KELLY GUERRERO,</p> <p style="padding-left: 150px;">Plaintiff(s),</p> <p>v.</p> <p>VINCENT NEIL WHARTON,</p> <p style="padding-left: 150px;">Defendant(s).</p>	<p>)</p> <p>)</p> <p>)</p> <p>)</p> <p>)</p> <p>)</p> <p>)</p>	<p>Case No. 2:16-cv-01667-GMN-NJK</p> <p>ORDER</p> <p>(Docket No. 65)</p>
---	--	--

When a litigant seeks an order sealing court filings, she must contemporaneously file a sealed version of the material and a motion to seal it. Local Rule IA 10-5(a) (“papers filed with the court under seal must be accompanied by a motion for leave to file those documents under seal”). The Court cannot determine whether the applicable standards have been met without being able to review the material. Plaintiff has filed a motion to seal, Docket No. 65, but has not filed the subject exhibits under seal and has instead filed place holders only, Docket Nos. 66-1, 66-3, and 66-4. Plaintiff is hereby **ORDERED** to file those exhibits under seal by February 14, 2018, and the Court will then evaluate whether the applicable standards have been met such that they may remain under seal. *See* Local Rule IA 10-5(a).

IT IS SO ORDERED.
DATED: February 9, 2018

NANCY J. KOPPE
United States Magistrate Judge
