**UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA**

Alexander Gonzalas,  
Plaintiff  
v.  
Geordan Logan, et al.,  
Defendants

**2:16-cv-02273-JAD-NJK**

**Order Adopting Report and  
Recommendation and Dismissing and  
Closing Case**

[ECF No. 5]

Pro se pretrial detainee Alexander Gonzalas brings this § 1983 action against two public defenders who appear to be currently representing Gonzalas in Nevada state court. Magistrate Judge Koppe has twice denied Gonzalas’s application to proceed *informa pauperis* without prejudice because the financial certificate contained incorrect numbers as compared to Gonzalas’s inmate trust account. The magistrate judge ordered Gonzalas to file a third application to proceed *in forma pauperis* that corrected these deficiencies by November 30, 2016. Gonzalas has not filed an IFP application or requested an extension to do so. Magistrate Judge Koppe now recommends that I dismiss this case without prejudice based on Gonzalas’s failure to file a proper IFP application. “[N]o review is required of a magistrate judge’s report and recommendation unless objections are filed.”<sup>1</sup> Objections to the magistrate judge’s report and recommendation were due by December 28, 2016, and Gonzalas has not filed an objection or requested an extension to do so.
