Case No. 2:16-cv-02876-RFB-NJK

ORDER

16 On December 6, 2016, the claims against Defendants Gantz and Seed Consulting were severed and
17 transferred to this District. Docket No. 111. That order further indicated that Defendants could renew their
18 motion to dismiss after transfer to this District. *Id.* at 2. To date, no such motion has been filed.
19 Nonetheless, Defendants indicate in a joint status report that they intend to file such a motion. Docket No.
20 116 at 5. Without expressing any opinion herein, the Court **ORDERS** Defendants to file any such motion
21 by July 20, 2017.

22 Plaintiffs also reference filing a motion regarding service on Defendant Aragon, *see* Docket No. 116
23 at 5, but it is not clear from the docket that such a motion should be filed in this Court, *see* Docket No. 111
24 (severing and transferring the claims only against Mr. Gantz and Seed Consulting). To the extent Plaintiffs
25 believe this Court is the proper forum for such a motion, the Court **ORDERS** Plaintiffs to file such motion
26 explaining why that is so by July 20, 2017.

1 The Court further **ORDERS** the parties to file a joint proposed discovery plan by August 4, 2017.
