**C. REASON DISCOVERY WAS NOT COMPLETED:**

The parties have been diligently attempting to conduct discovery, as demonstrated above. However, the deposition of Frank Lasley, Sr., was recently conducted and the parties will not have the deposition transcript until near the dispositive motion deadline. Moreover, both parties’ counsel have very busy professional schedules over the holiday season, and would like to extend each other the professional courtesy of the extension in an effort to permit each other to spend time with their families during the upcoming holidays.

The parties have also began to engage in settlement discussions, and the extension to dispositive motion deadline will enable to the parties to explore the possibility of settlement more thoroughly. Lastly, the parties agree that with the pending request of extending the dispositive motion deadline, no prejudice will occur if the discovery cutoff deadline is extended by fourteen days to give the ability to all parties to ensure all relevant disclosures have been made and all responses to requests for written discovery have been submitted.

The request for an extension to the dispositive motion deadline is being made prior to twenty-one (21) days before the subject deadline. However, the parties acknowledge that the request for the extension of the discovery cutoff is not. The parties submit that good cause exists here to permit all parties to ensure that relevant disclosures are made and provide responses to outstanding discovery requests, especially if the dispositive motion deadline is extended until February 2018.

**D. CURRENT DISCOVERY SCHEDULE:**

- 1. Discovery Cutoff: November 13, 2017
- 2. Dispositive Motion Deadline December 13, 2017
- 3. Pretrial Order Deadline: January 12, 2018

1 This is the parties' second request for an extension of the discovery deadline dates. The  
2 requested extension is not made to delay this matter, but made in the hopes of facilitating a  
3 resolution. Based upon the foregoing, the parties believe there is good cause for the requested  
4 extension.
