

1           Following Plaintiffs’ motion to show cause, the court held a series of hearings and entered  
2 a series of minute orders directing Mr. Abraham to do certain things. (See ECF Nos. 80; 81; 82.)  
3 During this period, Defendants made at least two productions of documents in response to the  
4 JDE Order. (See ECF Nos. 81; 82.)

5           Still, Plaintiffs maintained that Defendants had not fully complied with the Court’s orders.  
6 (See ECF No. 85 at 17.) Specifically, they argued that Mr. Abraham (1) “has been deliberately  
7 evasive and willfully non-compliant with respect to at least three orders from this Court;” (2)  
8 provided testimony at his deposition that was inconsistent with documents that he produced; (3)  
9 has not produced documents that appear to exist related to jewelry and gemstones; and (4)  
10 produced incomplete bank records. (Id.) Accordingly, Plaintiffs requested that Mr. Abraham be  
11 held in contempt for “willful failure to comply with this Court’s order compelling production of  
12 documents in connection with an examination of a judgment debtor.” (Id. at 1.) The Court denied  
13 this motion because Plaintiffs did not provide any legal authority in support of their motion. (ECF  
14 No. 112.)

## 15           **II.       The Motion Before the Court**

16           Following the Court’s denial of Plaintiffs’ motion, Plaintiffs moved for permission to take  
17 another JDE of Mr. Abraham. (ECF No. 133.) Plaintiffs also sought additional documents. (Id.)  
18 The Court granted Plaintiffs’ motion for another JDE and ordered Mr. Abraham to sit for his JDE  
19 by July 12, 2020. (ECF No. 132.) The Court did not order Mr. Abraham to produce certain  
20 documents but instead left it to the parties to work out which documents would be produced. (Id.)

21           Plaintiffs now allege, and Mr. Abraham does not dispute, that Mr. Abraham has not  
22 produced any additional documents or sat for his JDE. (ECF No. 133 at 6; ECF No. 134 at 2, 3.)  
23 Accordingly, Plaintiffs now request that the Court issue an order to show cause why Mr.  
24 Abraham should not be sanctioned for failure to follow this Court’s order. (ECF No. 133.) The  
25 Court will grant Plaintiffs’ request for an order to show cause why Mr. Abraham should not be  
26 sanctioned for failure to sit for his JDE by July 12, 2020, as ordered by this Court.

27           The Court will also impose a set of deadlines for Plaintiffs to get the discovery they are  
28 entitled to. Defendants are to formally respond to Plaintiffs’ list of requested documents (ECF

1 No. 133, Ex. B) by November 4, 2020. Mr. Abraham is to produce **all** documents he agrees are  
2 discoverable by November 18, 2020.<sup>1</sup> The parties are to meet and confer on any disputes over  
3 which documents are discoverable by November 24, 2020. To the extent the parties cannot  
4 resolve any disputes over which documents are to be produced, Plaintiffs are to file a motion to  
5 compel by December 7, 2020. Defendant's response is due by December 11, 2020, and Plaintiffs'  
6 reply is due by December 15, 2020. If a motion to compel is filed, a hearing will be set for  
7 December 21, 2020 at 10:00 a.m. Mr. Abraham is to sit for his JDE by January 8, 2021.

8 Plaintiffs must submit a status report by January 15, 2021 identifying if any of these dates  
9 have not been complied with (or if a motion to compel is filed in December, if the order on the  
10 motion to compel is not complied with).

11 Mr. Abraham must file a written response to this Court's order to show cause by January  
12 22, 2021. If Plaintiffs allege in their status report that Mr. Abraham failed to comply with any of  
13 the deadlines set forth in this order or any order on a motion to compel, Mr. Abraham must  
14 address why he should not be sanctioned for these violations, too. Mr. Abraham is advised that he  
15 will comply with this Court's orders or there will be consequences. Plaintiffs have been  
16 attempting to obtain full and fair discovery related to Mr. Abraham's assets for over two years. It  
17 is past time for this issue to be resolved, and the Court will impose all appropriate sanctions if Mr.  
18 Abraham fails to comply with **any** part of this Court's order, including holding Mr. Abraham in  
19 contempt of court.

20 IT IS THEREFORE ORDERED that Plaintiff's motion for an order to show cause (ECF  
21 No. 133) is GRANTED.

22 IT IS FURTHER ORDERED that Defendants are to formally respond to Plaintiffs' list of  
23 requested documents (ECF No. 133, Ex. B) by November 4, 2020.
