4. Nationstar is still waiting on certain loan information in order to complete the reply. Certain information was received, but the incorrect documents were provided. With most client contacts having transitioned or are transitioning to remote working due to the coronavirus, communications and location of information are taking longer than expected. For this reason, Nationstar requests an additional fourteen (14) days, up to and including **Friday, April 17, 2020** to file its reply. To the extent all information requested is not received by undersigned counsel for Nationstar, Nationstar nevertheless still intends to file the reply brief no later the new requested deadline so briefing can be completed.

5. This is the third request for an extension of this reply deadline and is not made for purposes of undue delay.
