Michael,

That sounds terrible. Yes you may have the extension. If you want until next week so that you have the extra time over the weekend just in case, I would be fine with that also. I'll keep an eye out for your stip.

Importance: High

David,

I am writing to request an additional 3 days- up to/including 9/15- to file our Reply and Opp. My original return from Germany (9/2) was delayed due to my passport being stolen on 9/1. Since the U.S. Embassy did not open for me to obtain a temporary passport until 9/5, I caught a flight and returned to the states around midnight of 9/6. I have been busy catching up with work and just need a little more time to finalize the response and obtain the necessary authority to file same.

Thank you for your understanding. Please let me know if this is acceptable and I will circulate a renewed stip.

Greetings David,

Thank you foremost for entertaining this request for extension to file our Reply iso MSJ from its current deadline of 9/5/17 to 9/12/17, when our Resp to your client's Countermot for MSJ is due. Aside from my previously arranged PTO during which I will have limited access to internet connection, I think a combined Reply / Resp is more appropriate given

the shared issues, and will be more judicially economical. Please confirm and I will circulate a SAO to extend for your approval to file.

Thank you again.

Please note that I will be out of the office from 12 p.m. on August 25 until September 3, 2017. If you require emergency assistance, please contact my assistant Kelli Wightman at kwightman@wrightlegal.net.
