1 2 3 4 5 6 7 8 UNITED STATES DISTRICT COURT 9 DISTRICT OF NEVADA 10 11 OSCAR PEREZ-MARQUEZ, Case No. 2:17-cv-01501-RFB-BNW 12 **ORDER** Petitioner, 13 v. 14 JO GENTRY, et al., 15 Respondents. 16 17 Following upon the court's minute order of October 4, 2021 (ECF No. 104); IT THEREFORE IS ORDERED that petitioner file the third amended petition within 14 18 19 days of the date of entry of this order. 20 IT FURTHER IS ORDERED that respondents' motion to dismiss (ECF No. 81) is **DENIED** 21 as moot without prejudice to renewing the motion as a response to the third amended petition. 22 IT FURTHER IS ORDERED that respondents must file a response to the third amended petition, including potentially by motion to dismiss, within 60 days of entry of this order and that 23 petitioner may file a reply within 30 days of service of an answer. The response and reply time to 24 25 any motion filed by either party, including a motion filed in lieu of a pleading, will be governed 26 instead by Local Rule LR 7-2(b). 27 IT FURTHER IS ORDERED that any procedural defenses raised by respondents to the 28 petition must be raised together in a single consolidated motion to dismiss. In other words, the 1

court does not wish to address any procedural defenses raised herein either in serial fashion in multiple successive motions to dismiss or embedded in the answer. Procedural defenses omitted from such motion to dismiss will be subject to potential waiver. Respondents must not file a response in this case that consolidates their procedural defenses, if any, with their response on the merits, except pursuant to 28 U.S.C. § 2254(b)(2) as to any unexhausted claims clearly lacking merit. If respondents do seek dismissal of unexhausted claims under § 2254(b)(2): (a) they must do so within the single motion to dismiss not in the answer; and (b) they must specifically direct their argument to the standard for dismissal under § 2254(b)(2) set forth in Cassett v. Stewart, 406 F.3d 614, 623-24 (9th Cir. 2005). In short, no procedural defenses, including exhaustion, may be included with the merits in an answer. All procedural defenses, including exhaustion, instead must be raised by motion to dismiss.

IT FURTHER IS ORDERED that, in any answer filed on the merits, respondents must specifically cite to and address the applicable state court written decision and state court record materials, if any, regarding each claim within the response as to that claim.

RICHARD F. BOULWARE, II

United States District Judge

DATED: October 15, 2021
