8 **UNITED STATES DISTRICT COURT**  
9 **DISTRICT OF NEVADA**

10 JOHN HASTINGS,

11 Plaintiff(s),

12 v.

13 I.C. SYSTEM, INC.,

14 Defendant(s).  
15

Case No. 2:17-cv-01588-RFB-NJK

**ORDER**

(Docket No. 51)

16 Pending before the Court is Plaintiff's motion to extend the discovery cutoff by 45 days. Docket  
17 No. 51. Defendant filed a response in opposition. Docket No. 53. Good cause exists for an extension  
18 to complete depositions. At the same time, depositions are routinely scheduled with ten-days' notice  
19 or less. *See, e.g., Reddy v. Precyse Solutions LLC*, 2015 WL 2081429, at \*3 (E.D. Cal. May 4, 2015)  
20 ("courts generally find that one week to ten days' notice is reasonable" (collecting cases)). Insufficient  
21 justification has been provided for a 45-day extension. Accordingly, the motion is **GRANTED** in part  
22 and **DENIED** in part. The discovery cutoff is **EXTENDED** to March 6, 2018 only with respect to the  
23 identified depositions. The deadlines for dispositive motions and the joint proposed pretrial report  
24 remain unchanged.

25 IT IS SO ORDERED.

26 DATED: February 16, 2018
