**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

TRADE SHOW SERVICES, LTD,

Plaintiff(s),

v.

INTEGRATED SYSTEMS IMPROVEMENT
SERVICES, INC., et al.,

Defendant(s).

Case No. 2:17-cv-01685-JAD-NJK

ORDER

(Docket Nos. 22, 23)

Pending before the Court is the parties' second stipulation to file all briefings and exhibits related to Plaintiff's motion to disqualify under seal and to continue the Fed.R.Civ.P. 26(f) conference. Docket No. 22. Also pending before the Court is Plaintiff's motion to disqualify. Docket No. 23. For the reasons discussed below, the Court **DENIES** without prejudice the parties' stipulation, and Plaintiff's motion to disqualify.

The parties' stipulation to seal is defective in several respects. First, the stipulation to seal itself was improperly filed under seal. A request to seal should be filed publicly, and the material for which sealing is sought should be filed separately under seal pending resolution of the request to seal. See Local Rule IA 10-5(a).

Second, the stipulation to seal does not sufficiently address the applicable standards. On November 15, 2017, the parties filed a stipulation to file all briefings and exhibits related to Plaintiff's motion to disqualify under seal and stipulation to continue the Fed.R.Civ.P. 26(f) conference. Docket No. 20. On November 16, 2017, the Court denied without prejudice the parties' stipulation. Docket No.

1 21. The Court provided the parties with the requisite standards a motion to seal must comply with,
2 notably the standards provided in *Kamakana v. City & County of Honolulu*. See 447 F.3d 1172 (9th Cir.
3 2006); see also Docket No. 20. The Court will not repeat the requisite standards or its analysis here but
4 will note that the parties fail to submit “compelling reasons supported by *specific* factual findings” as
5 to what information in each document requested to be sealed is confidential, privileged, or otherwise
6 and how that information meets the applicable standards. *Kamakana v. City & County of Honolulu*, 447
7 F.3d at 1178 (emphasis added).

8 Third, the parties fail to state whether the documents they request to be sealed could be redacted
9 and, if so, which portions. See *Foltz v. State Farm Mut. Auto. Ins. Co.*, 331 F.3d 1122, 1137 (9th Cir.
10 2003); see also *In re Roman Catholic Archbishop of Portland in Oregon*, 661 F.3d 417, 425 (9th Cir.
11 2011) (the district court must “keep in mind the possibility of redacting the sensitive material”); Docket
12 No. 21.

13 Fourth, the parties request, for a second time, that the motion to seal apply to pleadings that have
14 not yet been filed (Defendant’s response and exhibits to Plaintiff’s motion to disqualify and Plaintiff’s
15 reply and exhibits). Docket No. 22 at 2; see also Docket No. 21 at 3. The Court previously addressed
16 this issue and will not repeat its analysis here. Docket No. 21 at 3.

17 In light of the above, the Court **DENIES** without prejudice the parties’ second stipulation to file
18 all briefings and exhibits related to Plaintiff’s motion to disqualify under seal and stipulation to continue
19 the Fed.R.Civ.P. 26(f) conference. Docket No. 22. Further, as the motion itself is improperly filed
20 entirely under seal, the Court **DENIES** without prejudice Plaintiff’s motion to disqualify. Docket No.
21 23. The Court **STRIKES** the filings at Docket Nos. 23, 24, 25, and 26 for noncompliance with the
22 Court’s Local Rules.

23 IT IS SO ORDERED.
