5.

6. JUSTIN L. TRIPP,
 Plaintiff,

7. vs.

8. CLARK COUNTY, ET. AL.,
 Defendants.

9.

10.

11. The Plaintiff had filed a Motion seeking Sanctions for Perjury based on
 12. massive irregularities in the U.S. Mail system here at FCI Sheridan. The Plaintiff
 13. has notified this Court in the past about the difficulties and virtual handicaps
 14. he suffers by the mail policies here at this facility, and it seems that these
 15. policies are creating situations where mail is being returned without notifying
 16. the Plaintiff that mail had even been attempted.

17. Further, in Ms. Carrie Perrault's Declaration, she swears that she "[r]esent,
 18. along with the rejected envelope, to Plaintiff..." had the Plaintiff received
 19. this post-marked envelope, then he would have known that these Defendants had in
 20. fact tried to effectuate service on said date, but because he never received this
 21. envelope he was left to deduce that the defendants had just failed to file timely.
 22. Ms. Perrault swears she re-sent the envelope that was originally rejected by the
 23. B.O.P., this seems counter-intuitive as if it was rejected once and returned, then
 24. surely they would not give this same envelope to the Plaintiff upon a remailing
 25. of it, so the Plaintiff never saw this envelope, never knew it existed, so had
 26. to go by only the facts that the Defendants had seemingly mailed the Motion to
 27. join late. Harmless error perhaps in hindsight.

UNITED STATES DISTRICT COURT BY _____ DEPUTY
 DISTRICT OF NEVADA

* Case No.: 2:17-cv-01964-JCM-BNW

* MOTION TO WITHDRAW PLAINTIFF'S MOTION
SEEKING SANCTIONS FOR PERJURY

* [EFC 112]

*

1. Tripp accepts these Defendants explanation and as such withdraws his Motion
2. seeking sanctions.

3. Tripp would like to note that indeed he has had problems with the mail here,
4. that these problems are prevasive at this facility. and that they further affect
5. some 1200 plus inmates housed here. With the recent referal to the Pro Bono
6. Pilot Program, hopefully an Attorney will accept this case soon, and these issues
7. will no longer pose any issue.
