 Defendants.)

Case No. 2:17-cv-02036-APG-GWF
ORDER

This matter is before the Court on Plaintiff’s Motion to Order Issuance of Subpoena Duces Tecum for Production of Records to Cellco Partnership d/b/a Verizon Wireless (ECF No. 40), filed on December 6, 2017. To date, no party has filed an opposition to this motion and the time for response has now expired.

Plaintiff requests that the Clerk of the Court authorize and execute its subpoena duces tecum to the custodian of records for Cellco Partnership doing business as Verizon Wireless (“Verizon”) to produce phone records for Defendant Arpad Baron for the period of January 1, 2017 to February 2, 2017. Plaintiff represents that it served a subpoena duces tecum on Verizon and it would not release records without a court-ordered subpoena. The Court finds good cause to grant Plaintiff’s request for issuance of the subpoena duces tecum.

In addition, Local Rule 7-2(d) provides that “The failure of an opposing party to file points and authorities in response to any motion shall constitute a consent to the granting of the motion.” Defendant did not file points and authorities in response to Plaintiff’s instant motion. Therefore, Defendant is considered to have consented to the granting of Plaintiff’s motion under LR 7-2(d). Accordingly,
