vs.

ORDER

11

12 BRIAN WILLIAMS, *et al.,*13 *Respondents.*

14

15 This habeas matter under 28 U.S.C. § 2254 comes before the Court following upon
16 the Federal Public Defender's entry of an appearance together with petitioner's motion (ECF
17 No. 09) for leave to file a first amended petition and motion (ECF No. 10) requesting a
18 scheduling order permitting petitioner to file a second amended petition.

19 The motions collectively seek to pursue a "two-step" procedure whereby petitioner: (a)
20 files an initial counseled amended petition preserving all then-known claims potentially free
21 of possible relation-back issues; and (b) thereafter potentially files a second amended petition
22 after petitioner's newly-appointed federal habeas has had a full opportunity to independently
23 investigate all potential claims. The Court expressly has authorized such a two-step
24 procedure in prior cases, and it does so here. See, e.g., *McMahon v. Neven*, No.
25 2:14-cv-00076-APG-CWH, ECF No. 29 (D. Nev., May 29, 2014)(approving and explaining the
26 Court's rationale in allowing a bifurcated amendment procedure in habeas cases where the
27 limitation period potentially may expire before federal habeas counsel would be able to
28 conduct a complete investigation).

1 The two-step procedure may be appropriate also in circumstances where the federal
2 limitation period perhaps may only recently have putatively expired and counsel is seeking
3 to cabin the period of time as to which equitable tolling may need to be sought. As noted
4 below, the Court expresses no opinion as to the putative expiration date of the limitation
5 period in this case.

6 IT THEREFORE IS ORDERED that the Federal Public Defender, through Megan C.
7 Hoffman, Esq., is appointed as counsel for petitioner pursuant to 18 U.S.C. § 3006A(a)(2)(B).
8 Counsel will represent petitioner in all federal proceedings related to this matter, including any
9 appeals or *certiorari* proceedings, unless allowed to withdraw.

10 IT FURTHER IS ORDERED that petitioner's motion (ECF No. 9) for leave to file a first
11 amended petition is GRANTED and that the Clerk of Court shall file the first amended petition
12 (ECF No. 9-1).

13 IT FURTHER IS ORDERED that the Clerk shall file the exhibits submitted with the
14 amended petition in a manner most convenient to the Clerk, which potentially may include
15 leaving the exhibits docketed where they currently are with ECF No. 9.

16 IT FURTHER IS ORDERED that petitioner's motion (ECF No. 10) for a scheduling
17 order is granted consistent with the remaining provisions of this order.

18 IT FURTHER IS ORDERED that petitioner shall have until up to and including **ninety**
19 **(90) days** from entry of this order within which to file a second amended petition and/or seek
20 other appropriate relief. Neither the foregoing deadline nor any extension thereof signifies or
21 will signify any implied finding as to the expiration of the federal limitation period and/or of a
22 basis for tolling during the time period established. Petitioner at all times remains responsible
23 for calculating the running of the federal limitation period and timely asserting claims, without
24 regard to any deadlines established or extensions granted herein. That is, by setting a
25 deadline to amend the petition and/or by granting any extension thereof, the Court makes no
26 finding or representation that the petition, any amendments thereto, and/or any claims
27 contained therein are not subject to dismissal as untimely. See *Sossa v. Diaz*, 729 F.3d
28 1225, 1235 (9th Cir. 2013).

1 IT FURTHER IS ORDERED that: (a) respondents shall not be required to respond to
2 the first amended petition at this time, but that (b) respondents shall file a response to the
3 petition, as then amended, either within **sixty (60) days** of service of a second amended
4 petition if filed or instead within **sixty (60) days** of the final expiration of the time to do so if
5 petitioner does not file a second amended petition; and (c) petitioner may file a reply within
6 thirty **(30) days** of service. The response and reply time to any motion filed by either party,
7 including a motion filed in lieu of a pleading, shall be governed instead by the local rules.

8 IT FURTHER IS ORDERED that any procedural defenses raised by respondents to
9 the counseled amended petition shall be raised together in a single consolidated motion to
10 dismiss. In other words, the Court does not wish to address any procedural defenses raised
11 herein either in *seriatum* fashion in multiple successive motions to dismiss or embedded in
12 the answer. Procedural defenses omitted from such motion to dismiss will be subject to
13 potential waiver. Respondents shall not file a response in this case that consolidates their
14 procedural defenses, if any, with their response on the merits, except pursuant to 28 U.S.C.
15 § 2254(b)(2) as to any unexhausted claims clearly lacking merit. If respondents do seek
16 dismissal of unexhausted claims under § 2254(b)(2): (a) they shall do so within the single
17 motion to dismiss not in the answer; and (b) they shall specifically direct their argument to the
18 standard for dismissal under § 2254(b)(2) set forth in *Cassett v. Stewart*, 406 F.3d 614,
19 623-24 (9th Cir. 2005). In short, no procedural defenses, including exhaustion, shall be
20 included with the merits in an answer. All procedural defenses, including exhaustion, instead
21 must be raised by motion to dismiss.

22 IT FURTHER IS ORDERED that the hard copy of any exhibits filed by either counsel
23 shall be delivered – for this case – to the Reno Clerk's Office.
