Case No.: 2:17-cv-02197-JCM-CWH

**JOINT STIPULATION AND [PROPOSED]  
 ORDER TO EXTEND DISCOVERY  
 DEADLINES**  
**(First Request)**

25 COME NOW Plaintiff T.R.P. Company, Inc. (“TRP”) and Defendants Similasan AG and  
 26 Similasan Corporation (collectively, “Similasan”), by and through their counsel of record, hereby  
 27 stipulate and agree to extend the discovery and related deadlines of the Joint Discovery Plan for  
 28

1 approximately six (6) months. This is the first request to extend these deadlines, the request is  
2 being made more than 21 days from the first current pending deadline, and the Parties are  
3 diligently engaged in discovery, but will be unable to complete the outstanding discovery within  
4 the current deadlines. The deadlines to be extended, with the current deadline in parentheses  
5 (Dkt. 37), and the proposed dates are:

- 6 1. Interim Status Report: (May 16, 2018) to be November 9, 2018;
- 7 2. Fact Discovery Cut-Off: (July 13, 2018) to be January 11, 2019;
- 8 3. Expert Disclosures: (August 17, 2018) to be February 11, 2019;
- 9 4. Rebuttal Expert Disclosure: (September 14, 2018) to be March 11, 2019;
- 10 5. Expert Discovery Cut-Off: (October 19, 2018) to be April 15, 2019;
- 11 6. Dispositive Motions: (November 16, 2018) to be May 13, 2019;
- 12 7. Pre-Trial Order: (December 14, 2018) to June 10, 2019, if no dispositive motions  
13 filed, 30 days following entry of order on dispositive motions or further order of the  
14 court.

15  
16 Discovery Completed – The Parties have completed their initial disclosures, have  
17 exchanged initial written discovery and document requests, and are currently producing  
18 documents on a rolling basis. Both Parties have produced substantial numbers of documents and  
19 are preparing more for production. To date, Similasan has produced over 4,000 documents and  
20 anticipates producing similar numbers of documents relating to the new products at issue. TRP  
21 has produced approximately 600 documents and is still producing documents related to the initial  
22 claims and new claims. The Parties have also been involved in extensive and ongoing meet and  
23 confer efforts regarding their discovery responses and document production in an effort to avoid  
24 motion practice.

25  
26 Discovery To Be Completed – Discovery to be completed includes further written  
27 discovery and document productions related to both the prior claims and the new claims added in  
28 TRP's Amended Complaint and Similasan's Amended Counterclaims (Dkt. 44), which include

1 eight new causes of action and two additional products, such that the scope of discovery has  
2 greatly expanded. The number of potentially responsive documents to be produced has  
3 substantially increased. Both sides need to take depositions of all fact witnesses. Expert  
4 disclosures, expert discovery and expert depositions are all still outstanding and the scope of the  
5 expert opinions has expanded. Additionally, both Parties anticipate pursuing third party  
6 discovery. Finally, as noted above, the Parties are currently engaged in meet and confer efforts,  
7 but if unsuccessful, additional time for motions to compel to be heard may be required.  
8

9 Pending Motions – Similasan AG’s Motion to Dismiss based on Lack of Personal  
10 Jurisdiction, filed on October 17, 2017, is pending before the Court (Dkt. 24).

11 The Parties represent that this Stipulation is sought in good faith. After conducting initial  
12 written discovery and document productions, on April 19, 2018, TRP and Similasan amended  
13 their Complaint and Counterclaims, respectively, adding several new causes of action to each  
14 pleading (Dkt. 44). In particular, TRP added three new causes of action for: (1) tortious  
15 interference with prospective business relations, (2) commercial disparagement, and (3) false  
16 advertising under 15 U.S.C. § 1125(a)(1)(B). Similasan added five new counterclaims for: (1)  
17 federal trademark infringement of Similasan’s Pink Eye Relief mark, (2) federal trademark  
18 infringement of Similasan’s Allergy Eye Relief mark, (3) cancellation of TRP’s trademark  
19 registration for Allergy Eyes Relief, (4) federal trademark infringement of Similasan’s Earache  
20 Relief mark, and (5) cancellation of TRP’s trademark registration for Earache Relief. As these  
21 additional causes of action widen the scope of the discovery considerably, additional time is  
22 necessary for the Parties to exchange written discovery, collect and produce additional  
23 documents, and depose party and third-party witnesses related to these new claims. The Parties
