

1 Extend Discovery and Dispositive Motion deadlines for a period of 30 days to allow the parties to  
2 complete deposition discovery only (ECF No. 35) which the parties genuinely believed would be  
3 sufficient time to complete all remaining discovery.

4 This third request arises from the parties sincere belief this matter can be resolved, but  
5 additional time is required to do so. The parties began discussions to resolve this matter on June 5,  
6 2018, which has included gathering additional information necessary to resolve this matter fully and  
7 completely. The parties continue in their discussions and additional information may be necessary. If  
8 this matter does not reach resolution, current outstanding depositions will need to be taken, as well as  
9 concluding Plaintiff's deposition on limited topics as was agreed to by respective Counsel.

10 4. The parties stipulate and agree to extend the discovery deadline for sixty-one (61) days  
11 from July 13, 2018 up to and including August 13, 2018, for the Parties to continue their efforts to  
12 resolve this matter and should those efforts be unsuccessful, for purposes of allowing the parties to  
13 complete deposition discovery, allow for deposition transcripts to be prepared timely, and to allow for  
14 discovery to be completed prior to the filing of dispositive motions.

15 5. The parties further agree to extend the due date for dispositive motions to thirty (30)  
16 days after the proposed new close of discovery.
