Complaint from January 11, 2018, to February 12, 2018. This is the first request to extend this particular deadline.

On November 13, 2017, St. Paul filed its Third-Party Complaint naming Arch and several other entities as defendants. ECF No. 38. The Summons and Complaint were served on Arch on December 21, 2017, via the Nevada Department of Business and Industry – Division of Insurance. ECF No. 56. Therefore, pursuant to Rule 12(a) of the Federal Rules of Civil Procedure, Arch's response to the Third- Party Complaint was due on January 11, 2018.

This extension of time is necessary because, due to now resolved conflict issues, counsel for Arch was only recently retained. Therefore, to prepare Arch's response to the Third-Party Complaint, counsel requires adequate time to review and consider the claim file and the substantial number of filings in this case and all related and underlying legal proceedings. Furthermore, a case management order had not been entered, thus this stipulation to extend Arch's time to respond to the Third-Party Complaint will not affect any current deadlines in this action. This stipulation is entered into in good faith and is not intended to unduly delay the proceedings.
