requesting that the dispositive motion deadlines be suspended while the Parties worked diligently to draft and agree upon the requisite settlement documents, ECF No. 86.

On April 10, 2019, the Court issued an Order granting the Stipulation to Suspend and directed the Parties to file a stipulation to dismiss or dispositive motions by May 17, 2019, ECF No. 87.

On May 16, 2019, the Parties filed a Stipulation and Order to Continue Settlement Documents Deadline (First Request), ECF No. 89, which the Court granted on May 17, 2019, ECF No. 93, because they needed additional time to complete the drafting of the settlement documents given the complexity of the issues and length of documents, including a Joint Motion for Preliminary Approval of Class Action Settlement and the associated Joint Stipulation of Settlement, as well as various documents to be provided to the putative class members, which will require Court approval.

On July 1, 2019, the Parties filed a Stipulation and Order to Continue Settlement Documents Deadline (Second Request), ECF No. 95, which the Court granted on July 3, 2019, ECF No. 96, because they needed additional time to complete the drafting of the settlement documents. The settlement papers are currently due on July 10, 2019, ECF No. 96.

Since the last extension was granted, the Parties have continued to work diligently to finalize the settlement papers and have discussed additional changes to the settlement papers, but have been unable to finalize the documents in light of the Fourth of July holiday. As such, the Parties request an additional nine (9) days, through and including July 19, 2019, to complete the documents and submit the papers for Court approval.
