Case No. 2:17-cv-02900-APG-EJY

**ORDER**

Before the Court is Plaintiff's Motion to Extend Discovery Deadlines. ECF No. 77. This is the seventh request for such extension. No response to Plaintiff's Motion was filed.

The Court grants Plaintiff's Motion, but advises the parties that depositions and other discovery need not halt during this period of social distancing. Depositions may be completed using videoconferencing and written discovery may proceed in the ordinary course. Medical providers have not ceased operating and, in fact, there is nothing presented to the Court to suggest otherwise.

Accordingly, IT IS HEREBY ORDERED that Plaintiff's Motion to Extend Discovery Deadlines [Seventh Request] (ECF No. 77) is GRANTED. However, no further extensions of deadlines will be granted in this case absent documentation supporting extraordinary and unforeseen or unforeseen circumstances.

Dated this 14th day of May, 2020
