

1 lawsuits that paying litigants generally do not initiate because of the cost of bringing suit.” *Neitzke v.*
2 *Williams*, 490 U.S. 319, 327 (1989).

3 In civil cases in which the plaintiff seeks to proceed *in forma pauperis*, courts require that the
4 plaintiff comply with the robust authority that complaints must provide sufficient notice of the basis of the
5 claims presented and state a claim for relief. *See, e.g., Watison v. Carter*, 668 F.3d 1108, 1112 (9th Cir.
6 2012). Complaints are subject to the pleading standards set out in Rule 8. *Swierkiewicz v. Sorema N.A.*,
7 534 U.S. 506, 512 (2002). Although Rule 8 does not require detailed factual allegations, the complaint
8 must set forth the grounds of the plaintiff’s entitlement to relief and may not rest on “labels and
9 conclusions” or a “formulaic recitation of the elements of a cause of action.” *Ashcroft v. Iqbal*, 556 U.S.
10 662, 678 (2009). Courts must accept as true all well-pled factual allegations contained in the complaint,
11 but the same requirement does not apply to legal conclusions. *Id.* at 679. Mere recitals of the elements of
12 a cause of action, supported only by conclusory allegations, do not suffice. *Id.* at 678. Moreover, where
13 the claims in the complaint have not crossed the line from conceivable to plausible, the complaint should
14 be dismissed. *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544, 570 (2007). When a court dismisses a
15 complaint under § 1915(e), the plaintiff should be given leave to amend the complaint with directions as
16 to curing its deficiencies, unless it is clear from the face of the complaint that the deficiencies could not be
17 cured by amendment. *See Cato v. United States*, 70 F.3d 1103, 1106 (9th Cir. 1995).¹

18 A complaint in a social security appeal is not exempt from the Section 1915(e) screening of *in forma*
19 *pauperis* cases generally. *Hoagland v. Astrue*, 2012 WL 2521753, *1 (E.D. Cal. June 28, 2012) (screening
20 is required “even if the plaintiff pursues an appeal of right, such as an appeal of the Commissioner’s denial
21 of social security disability benefits”); *see also Lopez v. Smith*, 203 F.3d 1122, 1129 (9th Cir. 2000) (en
22 banc) (“section 1915(e) applies to all in forma pauperis complaints”). Moreover, although a complaint in
23 a social security appeal may differ in some ways from other civil cases, it is also “not exempt from the
24 general rules of civil pleading.” *Hoagland*, 2012 WL 2521753, at *2. With respect to social security
25 appeals specifically, the undersigned and several other judges in this District have outlined some of the

26
27 ¹ In cases in which the plaintiff is proceeding *pro se*, the Court liberally construes her pleadings.
28 *Hebbe v. Pliler*, 627 F.3d 338, 342 & n.7 (9th Cir. 2010) (finding that liberal construction of *pro se*
pleadings is required after *Twombly* and *Iqbal*). Plaintiff is represented by an attorney in this case.

1 basic requirements for complaints to satisfy the Court’s screening. First, the plaintiff must establish that
2 she has exhausted her administrative remedies pursuant to 42 U.S.C. § 405(g), and that the civil action was
3 commenced within sixty days after notice of a final decision. Second, the complaint must indicate the
4 judicial district in which the plaintiff resides. Third, the complaint must state the nature of the plaintiff’s
5 disability and when the plaintiff claims she became disabled. Fourth, the complaint must contain a plain,
6 short, and concise statement identifying the nature of the plaintiff’s disagreement with the determination
7 made by the Social Security Administration and show that the plaintiff is entitled to relief. *See, e.g., Graves*
8 *v. Colvin*, 2015 WL 357121, *2 (D. Nev. Jan. 26, 2015) (collecting cases).

9 It is the fourth element above on which social security plaintiffs most often stumble. “Every
10 plaintiff appealing an adverse decision of the Commissioner believes that the Commissioner was wrong.”
11 *Hoagland*, 2012 WL 2521753, at *3. A complaint merely stating that the Commissioner’s decision was
12 wrong is plainly insufficient to satisfy a plaintiff’s pleading requirement. *See, e.g., Cribbet v. Comm’r of*
13 *Social Security*, 2012 WL 5308044, *3 (E.D. Cal. Oct. 29, 2012) (citing *Brown v. Astrue*, 2011 WL
14 3664429, *2 (D.N.H. Aug. 19, 2011)). “Similarly, a social security complaint that merely parrots the
15 standards used in reversing or remanding a case is not sufficient to withstand a screening pursuant to
16 Section 1915(e).” *Graves*, 2015 WL 357121, at *2 (citing *Ashcroft*, 556 U.S. at 678). Instead, “[a]
17 complaint appealing the Commissioner’s denial of disability benefits must set forth a brief statement of
18 facts setting forth the reasons *why* the Commissioner’s decision was wrong.” *Hoagland*, 2012 WL
19 2521753, at *2 (collecting cases) (emphasis added); *see also Graves*, 2015 WL 357121, at *3 (finding
20 complaint failed to state a claim when it alleged only that “the Commissioner’s decision to deny [the
21 plaintiff] benefits was wrong without any indication as to why it was wrong other than a recitation of the
22 general standards that govern this Court’s review of that decision”); *Harris v. Colvin*, 2014 WL 1095941,
23 *4 (C.D. Cal. Mar. 17, 2014) (finding complaint failed to state a claim when it did not “specify . . . the
24 respects in which [the plaintiff] contends that the ALJ’s findings are not supported by substantial evidence
25 and/or that the proper legal standards were not applied”); *Gutierrez v. Astrue*, 2011 WL 1087261, *2 (E.D.
26 Cal. Mar. 23, 2011) (finding complaint failed to comply with Rule 8’s notice requirements when it stated
27 only that benefits were denied, but had not “provided any substantive reasons” for appealing that decision
28 and had not “identified any errors in any decision rendered by the Administrative Law Judge”). The

1 plaintiff must provide a statement identifying the basis of the plaintiff's disagreement with the Social
2 Security Administration's determination and must make a showing that the plaintiff is entitled to relief.
3 While this showing need not be made in great detail, it must be presented in sufficient detail for the Court
4 to understand the legal and/or factual issues in dispute so that it can meaningfully screen the complaint
5 pursuant to § 1915(e). *Cf. Hoagland*, 2012 WL 2521753, at *4 (the complaint should avoid the advocacy
6 and argumentation of the opening brief to be submitted later, but must specifically set forth the facts
7 showing an entitlement to relief).

8 In this case, Plaintiff's complaint indicates in conclusory fashion that the Commissioner erred in
9 finding that she is not disabled. *See* Docket No. 1-2 at ¶ 8. As outlined above, such a bald assertion fails,
10 and the complaint is subject to dismissal.

11 **III. Conclusion**

12 Based on the foregoing, IT IS ORDERED that:

- 13 1. Plaintiff's request to proceed *in forma pauperis* is **GRANTED** with the caveat that the fees
14 shall be paid if recovery is made. At this time, Plaintiff shall not be required to pre-pay the
15 filing fee of four hundred dollars (\$400.00).
- 16 2. Plaintiff is permitted to maintain the action to conclusion without the necessity of
17 prepayment of any additional fees or costs or the giving of a security therefor. The Order
18 granting leave to proceed *in forma pauperis* shall not extend to the issuance of subpoenas
19 at government expense.
- 20 3. The complaint is **DISMISSED** with leave to amend. Plaintiff will have until **April 24,**
21 **2018**, to file an Amended Complaint, if Plaintiff believes the noted deficiencies can be
22 corrected.

23 Dated: April 10, 2018
