

**UNITED STATES DISTRICT COURT**  
**DISTRICT OF NEVADA**

\*\*\*

GREGORY KELLY,  
Plaintiff,  
vs.  
JODY MARIE CUOMO,  
Defendant.

2:18-cv-00923-JAD-VCF  
**ORDER DENYING DEFENDANT'S**  
**MOTIONS ECF Nos. 55, 56, 57 and 58**  
**WITHOUT PREJUDICE**

On March 26, 2021, defendant filed a motion challenging discovery served by plaintiff and requesting sanctions. Because the motion requested multiple types of relief, in accordance with LR IC 2-2(b), this single motion is docketed four separate times and assigned the four separate docket numbers referenced above.

Before defendant's motion was filed, the court had set a video conference hearing on plaintiff's motions to compel ECF Nos. 32, 33 and 36. *See* ECF No. 44, entered on March 9, 2021. That hearing was held on March 29, 2021. Motions 32, 33 and 36 were denied and all post-judgment discovery was stayed pending further order of the court. (ECF No. 60). The stay order was entered with the expectation that defendant's pending motion would be briefed in the ordinary course. Upon resolution of that motion, discovery would then proceed.

On April 1, 2021, plaintiff filed a Notice of Appeal (ECF No. 61) with the Ninth Circuit Court of Appeals as to ECF No. 60.

In the interests of judicial economy and to relieve the parties from the burden and expense of further briefing defendant's pending motion, the court is denying that motion without prejudice.

Accordingly,

IT IS HEREBY ORDERED THAT defendant's motion, ECF Nos. 55, 56, 57 and 58 are denied without prejudice. Should defendant wish to renew any or all of her requests made in the pending motion,

1 she must file a motion or motions within 30 days after the Ninth Circuit Court of Appeals finally resolves  
2 plaintiff's appeal. The discovery stay will remain in place while plaintiff's appeal is pending and for 30  
3 days thereafter. Should defendant file a timely renewed motion, the stay will continue pending further  
4 order of the court.

5 DATED this 1st day of April, 2021.
