Case No: 2:19-cv-00383-GMD-BDW

Request for Extension of Time  
To file Amended Complaint

Comes now the Plaintiff Robert W. Elliott in Proper Person in the above titled pleading, "Request for Extension of Time to file Amended Complaint". This request is made pursuant to this Court's order of September 16th 2021 (Doc 45) in which the Court ordered the Plaintiff to file an amended Complaint consistent with its decision upon the original Complaint's grounds. The Plaintiff was provided a period of Twenty-One (21) days to provide such, making the deadline October 7th 2021. The Plaintiff is unable to meet this deadline and requests an extension to file the amended Complaint, under the following reasons;

## Facts In Support.

The Plaintiff (Here in after Elliott) is currently housed at Warm Springs Correctional Center, which law library operates under the paging system, I am seeking their assistance in clarifying exactly what claims and grounds I am allowed to pursue and what grounds I must appeal to the Ninth Circuit Court of Appeals. Elliott is aware of one ground, Claim / Ground Two, (use of Savings Account to purchase religious items) was dismissed with prejudice and, Elliott will appeal this decision to the Ninth Circuit Court, but is unaware of the procedure to obtain such as the remaining claims are believed to be moving forward. Due to such Elliott needs to review and meet with the law library assistants under the paging system to receive information on how to proceed. This will take additional time as W.S.C.C. is operating under modified operations due to the Covid-19 pandemic.

Unfortunately Elliott has suffered a tragic loss in his family when his mother passed away on September 10th 2021 due to the Covid-19 delta variant at Benson Medical Center. At this time I have been unable and denied to follow my beliefs and perform the necessary rituals and create the necessary talismans (medicine bags and spiritual totems) for my mothers burial and spirit in accordance with my mothers and I beliefs. This has taken a mental toll on me and given me an emotional stress. To be direct with the Court and parties involved "it still has not become a real event to me". I have sought the mental health department at W.S.C.C., though I can not receive any medication into my body until I complete the required blessings of my mothers spirit, which remain denied at this time. To be honest with the Court and parties "my head is not here", so along with this and the circumstances of the W.S.C.C. operations under this pandemic I am requesting an extension of time.

Elliott would also like to point out to the Court that defendant Gentry has failed to provide an answer to the Complaint, nor contact me in the hopes of settlement. This too will need to be addressed with the Court and will also be needing time to resolve.

Elliott is requesting a period of time to include the date of November 29th 2021, which is the first Monday after the Thanksgiving Federal Holiday, to be the deadline for the filing of the Amended Civil Complaint. Though this period extends over sixty (60) days Elliott believes he can receive the assistance he needs and provide the Court with an Amended Complaint with the facts necessary to resolve these issues.

Elliott respectfully requests this Court grant this request of an time extension of up until November 29th 2021.

Respectfully submitted this 27 day of September 2021
