1           8.       The parties also anticipate that they may need to conduct other forms of discovery,  
2 though not specifically delineated herein, and anticipate doing so only on an as-needed basis.

3 **C.       REASON FOR REQUEST FOR EXTENSION OF DISCOVERY DEADLINES**

4           A scheduling order can be modified "for good cause and with the judge's consent." FRCP  
5 16(b)(4). "A motion or stipulation to extend time must state the reasons for the extension requested  
6 and must inform the court of all previous extensions of the subject deadline the court granted." LR AI  
7 6-1 (a). "District courts should generally allow amendments of pre-trial orders when 'no substantial  
8 injury will be occasioned to the opposing party, the refusal to allow the amendment might result in  
9 injustice to the movant, and the inconvenience to the court is slight.'" *Campbell Industries v. M/V*  
10 *Gemini*, 619 F.2d 24, 27-28 (9th Cir. 1980) (quoting *Angle v. Sky Chef, Inc.*, 535 F.2d 492, 495 (9th  
11 Cir. 1976); *Sherman v. United States*, 462 F.2d 577, 579 (5th Cir. 1972)). Here, as discussed below,  
12 there is no dispute among the parties that an extension would cause any injury or injustice, and that a  
13 refusal of extension could prejudice the parties. Additionally, although there may be some  
14 inconvenience to the Court, no trial date is currently set and discovery is already ongoing. Therefore,  
15 the stipulated request for a modest extension should be granted.

16           In addition to the discovery that has already taken place as set forth above, the parties have  
17 diligently worked to continue to conduct discovery in an effort to complete the same and prepare for  
18 trial. Defendants are in the process of serving Plaintiffs with written discovery including numerous  
19 authorizations that have already been provided to Plaintiffs' counsel so they may obtain records of  
20 Plaintiffs' alleged damages and injuries. Further, the parties will need to be deposed. Such depositions  
21 include out of state travel. Specifically, Defendant Kevin Cornish and a representative of Defendant  
22 Knight Transportation, Inc. because both are out of state residents. Additionally, due to the current  
23 health crisis there will be substantial delays on proceeding with these out of state depositions and  
24 obtaining records due to numerous closures and limited work staff.

25           Further, Defendants will be gathering records from Plaintiffs' medical providers in order to  
26 prepare for her deposition, as well as to make determinations as to what experts may be needed,  
27 including potentially seeking an examination of Plaintiff. Defendant also intends to take the  
28 depositions Plaintiffs' treating and prior medical providers.

1 Both parties are still in the process of determining what experts they may need for trial. As the  
2 parties are continuing to seek information of the circumstances of the accident as well as the nature  
3 and extent of Plaintiffs' injury claims, they cannot currently make adequate evaluations of what  
4 experts may be needed. If discovery is not extended, they may have to retain and designate additional  
5 experts which, upon further ordinary discovery, could be rendered unnecessary. The parties would  
6 thereby be unnecessarily be burdened by costs and further expert discovery, which could complicate  
7 trial and alternative dispute resolution efforts.

8 In sum, the parties have diligently conducted discovery and are continuing to work  
9 cooperatively to complete the remaining discovery in order to prepare for trial. Good cause exists for  
10 modification of the current scheduling order to avoid prejudice to the parties.
