Plaintiffs Barbara Heinrich and Gregory Heinrich and Defendants Johnson & Johnson and Ethicon, Inc. stipulate to extend the deadline for submitting a revised joint pretrial order and for submitting a status report regarding the possibility of further settlement negotiations, set by the Court’s Order Granting Motion to Lift Stay (ECF No. 269). The parties stipulate to extend these deadlines for a period of 30 days, from January 15, 2025 to February 14, 2025.

This is the first request for an extension of these deadlines. The parties have met and conferred extensively on the pretrial order and the possibility of settlement and are working to compile the necessary information for the pretrial order, including identification of designations, counter-designations, and trial exhibits. The parties have made substantial efforts to complete the pretrial order and have exchanged several drafts. The parties seek additional time to continue these efforts to further refine the issues to be addressed in the pretrial order and better streamline the trial.
