**C. THE REASONS WHY THE DISCOVERY REMAINING WAS NOT COMPLETED WITHIN THE TIME LIMITS SET BY THE DISCOVERY ORDER:**

For the entirety of the case to date, the COVID-19 pandemic and the associated lockdowns in the State of Nevada and elsewhere have made completing discovery unusually difficult. It has delayed getting the necessary information to complete responses to interrogatories and requests for production. It has also made completing depositions challenging, especially where plaintiff's personnel who handled the claim no longer work for plaintiff and reside outside the State of Nevada.

The parties are also in the midst of a meet and confer process over responses to discovery that include disclosing additional information are negotiation and entry of a stipulated protective order.

Finally, the parties are in the midst of settlement discussions and wish to avoid the cost of designating experts or the filing of dispositive motions. The parties anticipate the need for informal settlement discussions and, if they cannot resolve the matter, will seek a judicial settlement conference through the court.
