11 v.

12 AIR VENT, INC., et al.,

Defendant(s).

Case No. 2:20-cv-01579-JAD-NJK

Order

[Docket No. 61]

13 Pending before the Court is Air Vent's motion to extend the deadline to serve third-party
14 Defendant Powermax Electric to March 3, 2022. Docket No. 61. No response was filed. Although
15 good cause exists for an extension, the Court is not persuaded that such a lengthy extension is
16 warranted based on the showing made and the current circumstances. *See* Docket No. 57-1 at ¶
17 11 (representation that service in China is completed on average within seven months).
18 Accordingly, that motion is **GRANTED** in part and **DENIED** in part. The deadline to effectuate
19 service on Powermax Electric is **EXTENDED** to January 18, 2022.¹

20 IT IS SO ORDERED.

21 Dated: November 17, 2021

26 ¹ The Court does not opine herein on the other relief sought, which is to serve Powermax
27 Electric by alternative means. *See* Local Rule 2-2(b) (separate documents must be filed for each
28 type of request being made); *see also Bank of N.Y. Mellon v. SFR Invs. Pool 1, LLC*, 2017 U.S.
Dist. Lexis 132101, at *2 (D. Nev. Aug. 18, 2017) (discussing importance of this rule). To the
extent such relief is sought, a separate motion must be filed.
