**FISHER & PHILLIPS LLP**  
 300 S Fourth Street, Suite 1500  
 Las Vegas, Nevada 89101

18 The parties, by and through their respective counsel hereby stipulate to extend  
 19 the Scheduling Order deadlines in this case as follows:  
 20

21	Discovery Deadline	November 30, 2021
22	Dispositive Motion Deadline	December 30, 2021
23	Joint Pretrial Order	January 31, 2022 or 30 days from the ruling on a dispositive motion

25 This is the third request for an extension of these deadlines. The parties provide  
 26 the following information regarding the proposed extension of the discovery deadline.  
 27  
 28

1 ***Discovery Completed to Date***

2 The parties have served their Initial Disclosures and supplements thereto.  
3 Defendants have served interrogatories and requests for production and Plaintiff has  
4 responded. Plaintiff has served two sets of interrogatories and two sets of requests for  
5 production and Defendants have responded. Jennifer Johnson has been deposed. Rita  
6 Oliveri and Kiernia Jimenez-Milan were deposed June 28. Plaintiff was deposed on  
7 July 12, but his cross-examination needs to be completed because Plaintiff's counsel  
8 had a flare-up of a medical condition that caused the deposition to stop. The  
9 depositions of Antonio Nunez, Tia Campbell, Betty Martin, Jesus Garcia, Nyemma  
10 Demmons and Stacy King are scheduled for September 13, 15 and 22.

11 ***Remaining Discovery to Be Completed***

12 After the depositions above are completed, a few other depositions will remain  
13 to be done, along with any Rule 30(b)(6) deposition topics, and possible related written  
14 discovery.  
15

16 ***Reasons Discovery Could Not Be Completed Within the Existing Deadline***

17 In addition to both counsel having the usual assortment of depositions, motions,  
18 hearings, mediations and appellate work in other cases, Plaintiff's counsel remains  
19 preoccupied with the considerable ongoing health problems of an elderly parent.  
20 Plaintiff's counsel also has her own serious health condition with flare-ups that  
21 presently impacts her ability to work at times. Among other things, this condition  
22 presently necessitates that depositions not be scheduled on consecutive days.  
23
