10 PROJECT CIRCLE, LTD., et al.,

11 Defendant(s).

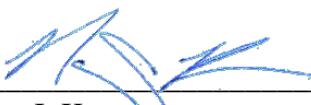

Case No.: 2:20-cv-02108-RFB-NJK

Order

12 Pending before the Court is a joint status report seeking a stay of discovery pending
13 resolution of a motion to dismiss. Docket No. 22. To the extent the parties seek a stay of discovery,
14 a request must be filed identifying the governing standards and providing meaningful explanation
15 as to how they are met. *See, e.g., Kor Media Grp., LLC v. Green*, 294 F.R.D. 579, 581 (D. Nev.
16 2013).¹ Either a well-developed request for a stay of discovery or a proposed discovery plan must
17 be filed by February 23, 2021.

18 **IT IS SO ORDERED.**

25 ¹ The status report indicates that the motion to dismiss is not potentially case-dispositive,
26 Docket No. 22 at 2 (indicating that breach of contract claim will remain), but no explanation is
27 provided as to why a case-wide stay of discovery is appropriate given the limited scope of the
28 underlying motion practice, *cf. Tradebay, LLC v. eBay, Inc.*, 278 F.R.D. 597, 602 (D. Nev. 2011)
("the pending motion must be potentially dispositive of the entire case or at least dispositive on
the issue on which discovery is sought").
