CASE NO.: 2:22-cv-00328-JCM-EJY

24 **STIPULATION TO EXTEND DEADLINE**
 25 **TO RESPOND TO USA AND KARPEL’S**
 26 **MOTIONS TO DISMISS [ECF NOS. 13**
 27 **AND 14]**

28 **(THIRD REQUEST)**

29 NOW COMES the Plaintiffs, ERNESTO MANUEL GONZALEZ (“GONZALEZ”), JAMES
 30 PATRICK GILLESPIE (“GILLESPIE”), CESAR VAQUERA MORALES (“MORALES”), DIEGO
 31 CHAVEZ GARCIA (“GARCIA”), and BRADLEY CAMPOS (“CAMPOS”) (collectively referred
 32 to herein as “Plaintiffs”), by and through their attorneys, Melanie A. Hill and Melanie Hill Law
 33 PLLC, and Defendants, UNITED STATES OF AMERICA and DAVID N. KARPEL, by and through
 34 their attorney, Glenn Greene, who hereby stipulate that the deadlines for Plaintiffs to respond to
 35 Defendant USA and Karpel’s Motions to Dismiss [ECF Nos. 13 and 14] and Defendant USA and
 36 Karpel’s deadlines to reply be extended pursuant to Local Rule IA 6-1.

1 This is the third request for an extension of the deadlines. The first request was by stipulation
2 to extend the deadlines to allow the USA and Karpel's deadlines to be aligned. The second request
3 was by stipulation to extend the deadlines to allow Plaintiffs to file a motion to be added to the
4 Protective Order in the underlying criminal case. In support of this Stipulation and Request, the
5 parties state as follows:

6 1. Defendant USA and Karpel filed their Motions to Dismiss on September 12, 2022
7 [ECF Nos. 13 and 14].

8 2. Pursuant to the Order granting the second stipulation, Plaintiffs deadline to respond
9 to the Motions to Dismiss is November 18, 2022.

10 3. Prior to filing the second stipulation request, counsel for the parties conferred to
11 attempt to resolve counsel for Plaintiffs' request to be added to the Protective Order in place in the
12 underlying criminal case so that Plaintiffs may share the criminal discovery with undersigned counsel.
13 The discovery is necessary to further plead the complaint in this case in response to arguments made
14 in the currently pending motions.

15 4. Counsel for Plaintiffs has also conferred with the local U.S. Attorneys' office
16 regarding the same. Counsel have determined that a motion will be necessary to allow counsel for
17 Plaintiffs to be added to the Protective Order in the underlying criminal case so that discovery may
18 be reviewed by counsel for Plaintiffs and used to further plead the complaint in this case. It is also
19 undersigned counsel's understanding that the United States has no objection to Plaintiff's counsel
20 being added to the protective order upon further motion and order of this court.

21 5. To allow this motion to be filed and allow counsel to review the underlying criminal
22 discovery for purposes of prosecuting this civil case and further respond to the pending Motions to
23 Dismiss, the parties have stipulated to extend Plaintiffs' response deadline to December 13, 2022.
24 The parties have further stipulated to allow Defendants USA and Karpel until January 20, 2022 to
25 file their replies.

26 6. After filing the second stipulation, counsel was delayed in filing the motion to be
27 added to the protective order because she and her entire family were ill and she had to take off work
28 to care for herself and her young child. This additional request is to allow Plaintiffs to file the motion

1 to be added to the protective order and obtain and review the criminal discovery to allow Plaintiffs to
2 adequately respond to the Motions to Dismiss. This Request for an extension of time is not sought
3 for any improper purpose or other purpose of delay. Rather, it is sought by the parties solely to allow
4 sufficient time to allow Plaintiffs' counsel to be added to the protective Order in the underlying
5 criminal case, review the criminal discovery, and respond to the USA and Karpel's Motions to
6 Dismiss.

7 WHEREFORE, the parties respectfully request that the Court extend the deadlines as stipulated
8 to herein.

9 DATED this 18th day of November, 2022.
