UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA

Michael Alexander,

Plaintiff

v.

Corey Chadwick,

Defendant

Case No. 2:22-cv-01084-CDS-NJK

Order Striking Defendant’s Motions for  
Partial Summary Judgment

[ECF Nos. 50, 64]

Defendant Corey Chadwick filed a motion for partial summary judgment (ECF No. 50) and a corrected motion for partial summary judgment (ECF No. 64). Because the content of these two motions is virtually identical, I strike the original motion for partial summary judgment. I also strike the corrected version for failure to follow the local rules: “[e]xhibits and attachments must not be filed as part of the base document in the electronic filing system. They must be attached as separate files.” LR IC 2-2(a)(3)(A). Chadwick has until September 4, 2024, to file a corrected motion for partial summary judgment that complies with the local rules. Alexander need not refile his opposition to the motion. The opposition at ECF No. 65 stands.
