**UNITED STATES DISTRICT COURT**  
**DISTRICT OF NEVADA**

JOSEPH MICHAEL DEVLIN,

Plaintiff,

v.

AON RISK INSURANCES SERVICES  
WEST, INC., et al,

Defendant(s).

Case No. 2:22-cv-01145-GMN-NJK

**ORDER**

[Docket No. 9]

11 Pending before the Court is the parties' proposed discovery plan. Docket No. 9. The  
12 presumptively reasonable discovery period is 180 days. Local Rule 26-1(b)(1). Here, however,  
13 the parties seek a 240-day discovery period based on a generalized assertion that "the nature of the  
14 claims and defenses and the extent of the anticipated discovery" warrant such an extension. Docket  
15 No. 9 at 2. When a specific showing has been made that established deadlines cannot be met in a  
16 particular circumstance, the Court has found good cause for extension. The instant request makes  
17 no specific showing at all and, instead, simply cites generalizations that could be made about all  
18 litigation.

19 Accordingly, the proposed discovery plan is **DENIED** without prejudice. An amended  
20 discovery plan must be filed by September 26, 2022. To the extent special scheduling review is  
21 sought therein, a specific showing must be made as to why the presumptively reasonable deadlines  
22 should not apply based on the particular circumstances of this case. Otherwise, the parties must  
23 include the default deadlines, properly calculated from the date of Defendant's answer or first  
24 appearance.

25 IT IS SO ORDERED.

26 Dated: September 19, 2022
